Ownership matrix

1.0 PURPOSE AND SCOPE

(2.1.1)

It is a policy at CH2M HILL that employees may voluntarily participate in the following approved recreational activities when on the Hanford site: walking, jogging/running, bicycling, basketball, and volleyball, and company provided fitness/exercise equipment.

2.0 SOURCES

1. Correspondence ORP: 05-ESQ-053/0501707, "Hanford Site Recreational Policy."

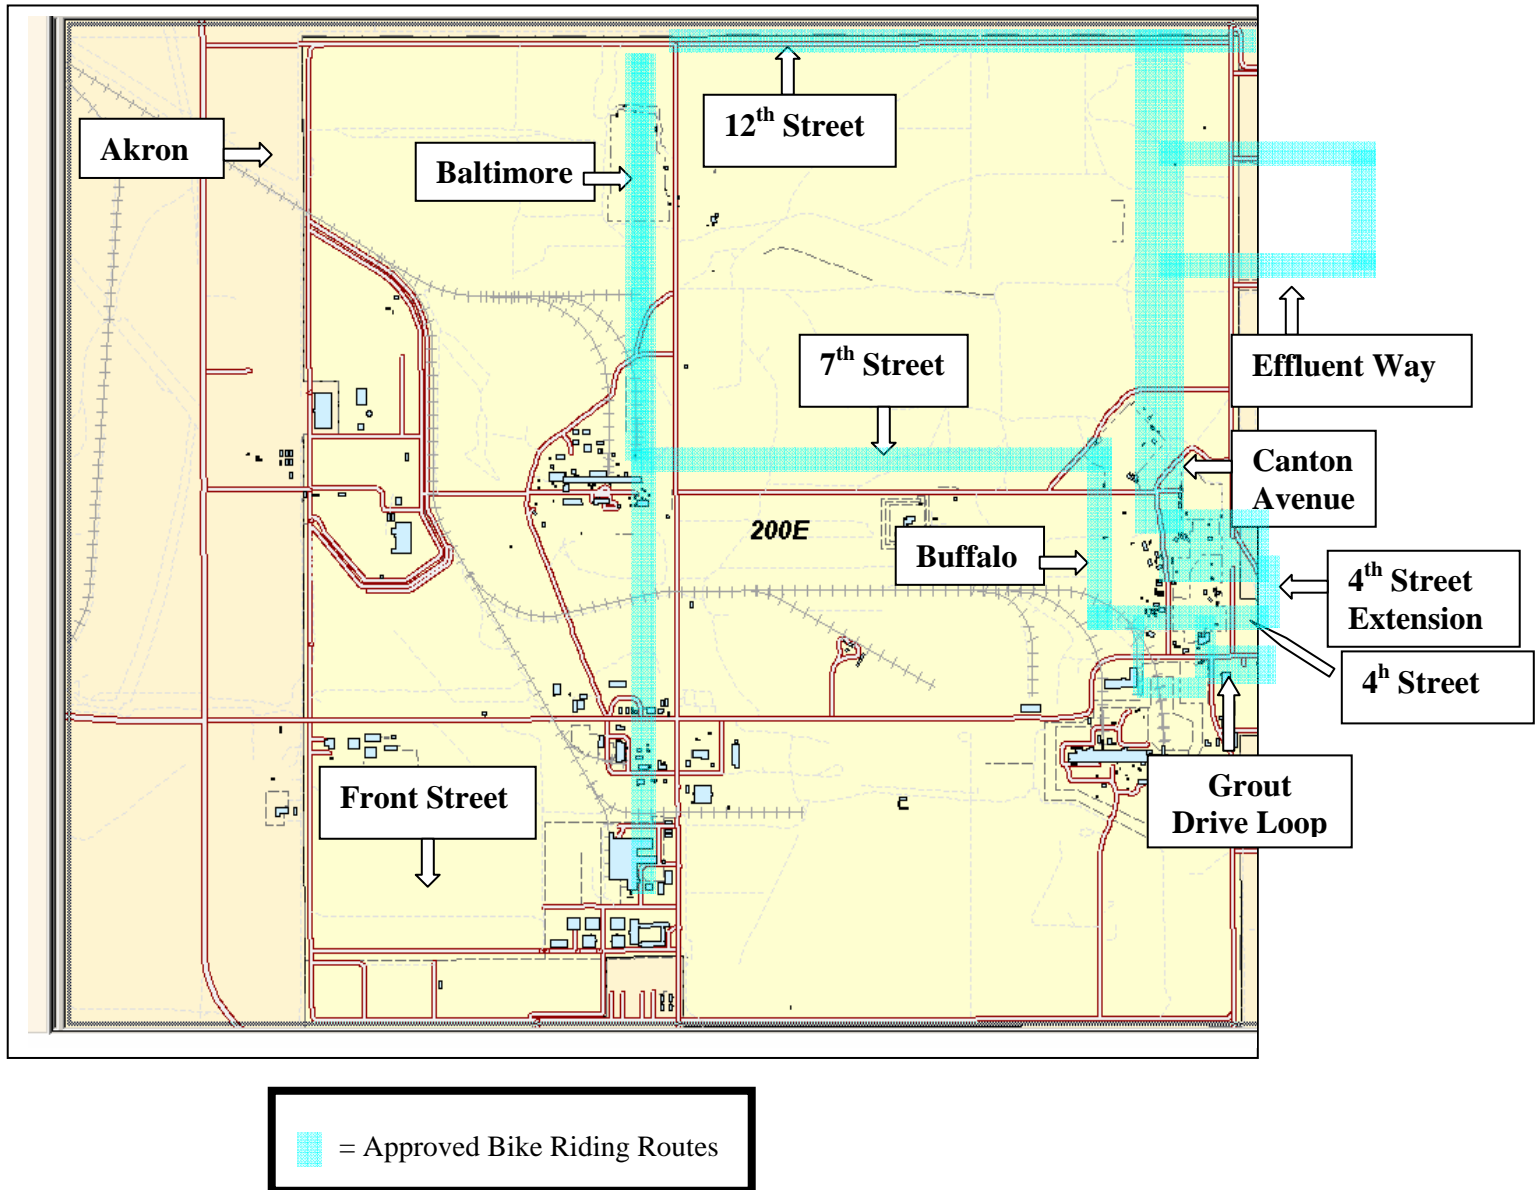

3.0 IMPLEMENTATION

The following guidelines apply at all times when participating in an approved recreational activity on the Hanford site:

- Participants should understand their personal limitations prior to participation and properly prepare for the activity for which they are about to engage.
- Recreational activities off designated roadways or paved pathways is not permitted (see Attachment A).
- Recreational activities are only permitted in areas designated by facility management; appropriate safety equipment shall be used for all activities (see Attachment B)
- All activities shall be conducted in compliance with applicable laws, regulations and postings.
- Participants shall notify their management when participating in a recreational activity away from their immediate work area.
- Fitness equipment shall be used in accordance with posted manufacturer instructions.
- Participants shall inspect all fitness equipment and areas prior to use; defective equipment and noted safety hazards shall be corrected prior to use.
- Notify facility management when defective fitness equipment is identified.
- Facility management will arrange for equipment repairs to be performed.
